

## Integrated Access Control from Industry Leaders In Vandal Resistant Door Entry Systems

### EXPERIENCE

Entrotec has over 25 years of experience in the design and manufacture of vandal resistant door entry systems.

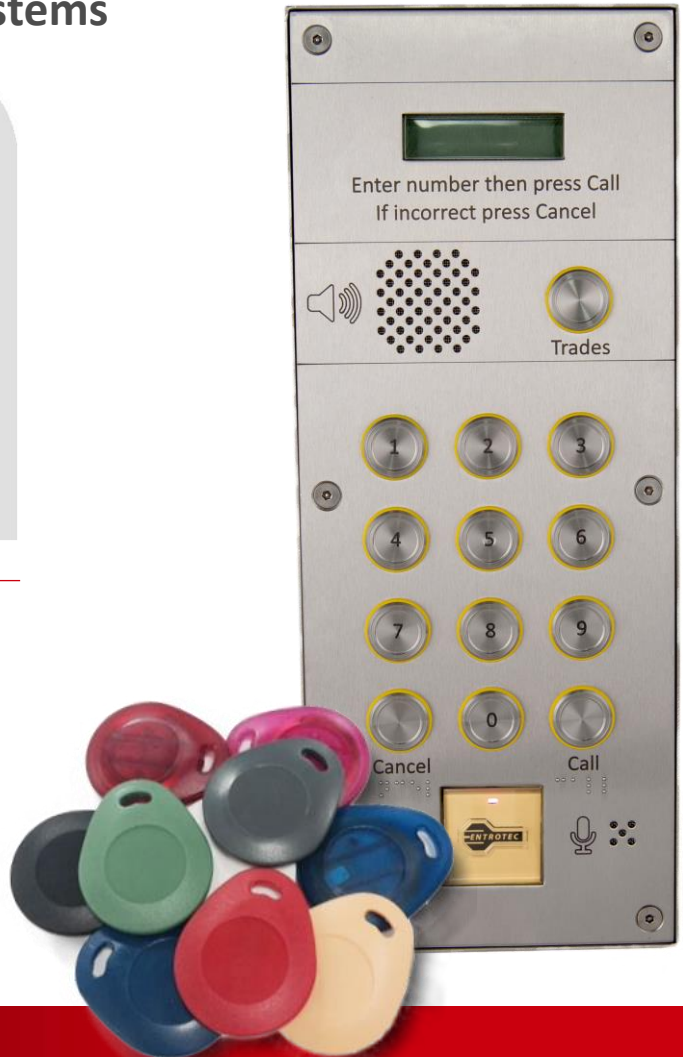

### WARRANTY

Entrotec systems are renowned for their reliability and have a 2 year warranty on all Entrotec manufactured products as standard.

### SUPPORT

Entrotec offer complimentary training courses and telephone support.

- Add and Delete Keys from Call Panel
- Onsite or Remote Administration of Keys
- Over 60,000 User Keys
- Over 1,000 Doors
- Over 8,000 Events are Logged on Each Deck
- Optional Pre-Programmed Contractors Keys
- Fast and Simple Programming with Easitag Programming Card
- Colour Coded Keys
- No Additional Cabling

- Easitag Apex is an access control system built right in to a fully featured Apex Door Entry System.
- Easitag Apex can be built in to an extensive range of call panels for both new systems and upgrades.
- Keys are securely added or deleted at the call panel so there is no need to access the main control unit. Keys can also be administered remotely over the Internet.
- Key management is assisted with keys being assigned to a flat with a colour reference.
- Optional contractor keys can be programmed into an unlimited number of systems prior to installation.
- Additional programming cards can be added to a system allowing multiple operators to administer keys.
- Door access can be restricted so keys can be programmed to only open certain doors on a system.
