

Integrated Access Control from Industry Leaders In Vandal Resistant Door Entry Systems

EXPERIENCE

Entrotec has over 25 years of experience in the design and manufacture of vandal resistant door entry systems.

WARRANTY

Entrotec systems are renowned for their reliability and have a 2 year warranty on all Entrotec manufactured products as standard.

SUPPORT

Entrotec offer complimentary training courses and telephone support.

- Add and Delete Keys from Call Panel
- Up to 250 User Keys
- Optional Pre-Programmed Contractors Keys
- Fast and Simple Programming with Easitag Programming Card
- Colour Coded Keys
- No Additional Cabling

- Easitag Elite is an access control system built right in to a fully featured Elite Door Entry System.
- Easitag Elite offers a cost effective access control solution that is flexible and user friendly.
- Keys are securely added or deleted at the call panel so there is no need to access the main control unit.
- Easitag Elite is easy to install and requires less cabling than standalone solutions.
- Easitag Elite can be built in to an extensive range of call panels for both new systems and upgrades.
- Additional programming cards can be added to a system allowing multiple operators to administer keys.
- Optional contractor keys can be programmed into an unlimited number of systems prior to installation.
- Memory usage and diagnostic information displayed on screen.
